*Enriching life with choices,  
harmony and community.*

**Providence**  
*Aged Care Facility*

*When you can't stay at home this is the place to be. I enjoy living here – the kindness, care and friendship are wonderful.*

### **Individual Approach**

We value your individuality and support you to maintain your independence and dignity. Your physical, social, spiritual and cultural needs are important to us. We offer choices, listen to you and tailor our services to meet your requirements. We actively seek suggestions and feedback from residents, families and friends to ensure high levels of satisfaction with our services.

### **Privacy and Comfort**

Providence provides a relaxing and comfortable living environment. It is light and spacious with tranquil views overlooking gardens and courtyards. Each resident has a spacious, single room with their own en suite, heating, fan, and personal points for phone and television.

### **Kind and Compassionate Staff**

You will receive kind and compassionate care and support from our dedicated team of professional staff, including qualified nurses. We work closely with your GP and provide access to other health services such as podiatry, dietician, and physiotherapy.

Our qualified chef places a high priority on the enjoyment of meals. Regular consultations and feedback ensure that any special dietary, cultural and religious preferences are included in nutritious and appetising menu options for your selection.

### **Enjoyment of Life**

Your enjoyment of life is important to us. We provide a varied program of activities that reflect the interests and choices of residents. Coordinated by trained staff, these activities include: crafts, games, music, outings, fitness, and celebration of special events. Visiting clergy provide a choice of religious services in the chapel on a regular basis. We always welcome visits from families, friends and volunteers who contribute to the warm and friendly atmosphere at Providence.

*We would welcome the opportunity to meet with you to discuss your needs, answer your questions and show you around our community at Providence.*
