St Catherine's
Aged Care Facility

At St Catherine's I appreciate the welcome, care, interest and kindness shown by staff. I feel safe and comfortable in this friendly community.

Individual Approach

Your individuality, independence and dignity are important to us. We tailor our services to meet your physical, social, spiritual and cultural needs and preferences. We offer choices, listen to you and ask for your feedback on a regular basis.

Comfortable and Relaxing Environment

St Catherine's has wonderful views over the Minifie Reserve in Balwyn and combines the charm of a beautiful 1904 homestead with up-to-date aged care amenities. Single rooms with ensuite and shared rooms are available. Communal amenities include an intimate chapel, hairdressing salon and spaces for social gatherings and quiet reflection.

Caring Professional Staff

You will receive high quality care and support from our dedicated team of professional staff, including 24 hour coverage by qualified nurses. We work closely with your GP and provide access to other health services such as podiatrists, dieticians, and physiotherapists. We provide low and high levels of care giving you the confidence of continuity of care if your needs change.

We cater for a variety of tastes with our balanced and freshly prepared menu selections, including special dietary requirements. Family and visitors are welcome to stay for meals at a small cost.

Happy and Varied Lifestyle

A happy and friendly atmosphere is evident from the frequent laughter and active involvement in the lifestyle program based on the interests of residents and enriched by the contributions of friendly and loyal volunteers. These include music recitals, fitness groups, large screen cinema shows, mind games, coffee shop, knitting afternoons and regular excursions.

Spiritual and Pastoral Care

We know the spiritual dimension of life is very important for some of our residents. We provide regular services in our intimate chapel, as well as pastoral care.

We would welcome the opportunity to meet with you to discuss your needs, answer your questions and show you around our community at St Catherine's Aged Care Facility. Please phone us to book a time for a tour.
